Memorial Luncheons

With the loss of a loved one, holding a memorial luncheon is a wonderful way to bring family and friends together. The luncheon serves as celebration of one's life to share memories and special stories while breaking bread together.

We at the House of Reardon know this is a difficult time for you and your family. Select your choice from among the dishes listed below and we'll provide an excellent meal for you and your guests.

The House of Reardon can host your luncheon at our Shamrock Gardens or bring it to your venue.
